

### Block C

It is bounded by geographic coordinates as follows:

1. Latitude intersection  $41^{\circ} 20' 00''$  N with the coast line at the average tidal level.
2.  $41^{\circ} 20' 00''$  N                       $19^{\circ} 45' 00''$  E
3.  $41^{\circ} 00' 00''$  N                       $19^{\circ} 45' 00''$  E
4. Latitude intersection  $41^{\circ} 00' 00''$  N with the coast line at the average tidal level.
